Down town agency of the University Medicines.

We have taken the agency for the sale of the new and popular Health Restoratives. The "University Medicines" are evidently dustined to become the remedies of the day. Already their sale is more extensive than that of any medicines. Thousands of physicians and patients are using them with a success bordering on the thaumaturgiest. Pathful and exhausting complaints, which resist all other methods of treatment, are cured by them almost instantaneously. If on trial they are not found to be the most rapid and elicatious curres of disease on the face of the earth they will be furnished free. They stand on their merits alone. Hustrated descriptive books free to all. Open day and night. HUDNUT & CO., Herald Building, 218 Broadway, New York.

AZYGOS.

The phebotamists and infinitesimals stand chagrined at the marvellous success of these elegant specifies. They behold with astonishment maladies which they have vanny treated for years yielding almost instantaneously before the magic influence of these most sovereign remedials. Whorever they are introduced they take the lead, and the old nostrums remain unsold.

We shall shortly publish a list of 1.000 of the most miraculous cares ever effected in any age, together with elaborate photographs of cases cured after all other treatment and remedies had failed.
